Praise the Lord

Praise the Lord Oh my soul

When my ears first heard your voice
The wonder made my heart rejoice
Could God so holy love someone like me?
You freed me from my empty praise
To sing the triumphs of your grace
This is my song and will forever be

G
All your people sing
A
God of our salvation
Bm **A** **G**
We praise your holy name
G
All the heavens sing
A
All creation echos
Bm **A** **G**
The glory of your name
