

# ALL IS FORGIVEN

*E / B / F# /// E / B / F# ///*

*E*

I was condemned, a dead man walking

*B*

*F#*

Now I am free

*E*

Out of the mire of my hopeless station

*B*

*F#*

You lifted me

*E*

Drops of your precious blood have said:

*C#m*

'Rise from the ashes lift your head

*G#m*

*D#m*

*E*

Weeping soul lament no more'

*B*

*F#*

All is forgiven, All is forgiven

*G#m*

*F#*

*E*

Death has lost it's claim upon my soul

*B*

*F#*

All is forgiven, All is forgiven

*G#m*

*F#*

*E (C#m into bridge)*

Grace has come and made this sinner whole

Look to the One who was torn and broken  
Nailed to a tree  
Taking my sin His death has spoken  
Peace over me  
His is the love that never fails  
Anchors my soul when doubt assails  
Christ, my hope, will never die

*F#* *G#m*  
As far as the east is from the west  
*D#m* *E*  
Jesus removes our sin from us  
*G#m* *E*  
Purchased our freedom with his blood  
*Bsus* *F#*  
Nothing can take us from his love
